

Dear members

As part of our sponsorship deal Swimsupplies.co.uk will offer all COSC members a 20% discount on Arena products. There is no postage being charged.

In order for this to happen there will be two processes.

PROCESS 1

- Print the order form available on our website <http://oxfordswim.com/club-shop/>
- Go to the Swimsupplies website <http://www.swimsupplies.co.uk> to choose your items and then fill in your form.
- Email coscswimshop@gmail.com to arrange a time and place to meet.
- Take your printed form, filled in with your cash or cheque (payable to COSC). Hard copies only **(NO EMAILED or scanned) forms will be accepted.**
- On the last day of every month, COSC shop will collate any orders and liaise with Swimsupplies.co.uk who will pick and pack at their end.
- Orders will then be shipped to COSC shop who will distribute when they arrive.
- **COSC shop will be the sole point of contact within the club for all Arena Oxford kit orders and enquiries, including the 20% Swimsupplies.co.uk discount.**
- In order to get the above deal we will have to have no returns policy unless faulty.

What about if the goods don't fit or suit me I hear you all say? What if it is the wrong size? Then go to **PROCESS 2**

PROCESS 2

- Swimsupplies.co.uk will attend our Level 3 galas with a selection of products, including Arena. This will be our shop front where members will be able to get 20% off Arena products if wearing COSC kit. All other brands will be full price unless otherwise stated. Even if you aren't racing it would be good to come along to see what's on offer.

No-one is obligated to buy arena racing kit, goggles, paddles etc. All other brands from Swimsupplies.co.uk will not have the 20% off.

If a member decides they can't wait and orders directly from Swimsupplies.co.uk there will be NO COSC DISCOUNT APPLIED.

COSC Committee

-Please note that in-line with inflationary price increases that prices will be at some point subject to change. They are currently honoured until Arena conduct their annual financial review.
