Consideration Times: Entry times for this meet are as stated in the National Licensing Guidelines. Swimmers must have achieved these times in order to qualify for entry.

Entry times must be 50m times or 25m times converted to 50m times.

Entries: All entries must show clearly the swimmers full date of birth, registration number, and club name.

COMAST reserves the right to restrict entries in the interests of safety, time constraints, and to ensure the smooth running of the competition. Where this rule is invoked the swimmers with the fastest submitted times shall take precedence. Events chosen for restriction will be at the discretion of COMAST. Refunds for entries not accepted will be available for collection at the start of the meet.

If the number of entries received for the meet becomes untenable, the promoters reserve the right to limit the number of entries accepted to enable the competition to meet ASA licensing requirements. Any deletions made will be equally proportionate from each age year, and will endeavour to ensure an equal balance of swimmers across the age groups and events

Submitted entry times shall be used for seeding and rejection purposes as required. All submitted times must be short course times. Once an entry has been submitted improved times will not be accepted.

After the closing date for the competition each club will be sent by email details of their entries stored by the meet management software. These should be used to cross check the accuracy of those entries and to allow any necessary corrections to be made. Corrections need to be sent comastopenmeet@gmail.com before the 6th October 2017. The final gala programme will be produced as a result of any corrections that are received.

Random checks will be made against the current ASA rankings database and any swimmer found to be submitting false times will be rejected from all events, unless a result sheet is available to confirm entry times.

Entries of 5 or more swimmers from the same Club must be made electronically. Entries of 4 or less swimmers from the same Club may be made using the official meet entry form. Unless arranged and agreed in advance with the Meet Promoter, entries not adhering to this condition will be rejected without consideration
