ENTRIES

Qualifying times will be applied to the Open events and qualifying & consideration times will be applied to the age group events. All entry times must be faster than the QT or CT depending on which part of the meet is being entered. Entry Times outside these limits, and entries with 'No Time' submitted will be rejected.

Swimmers may choose to swim in the open event for some events AND swim as an age group swimmer in other events. This must be decided at time of entry and indicated clearly on the entry file.

Entry Times must have been obtained at a licenced meet, and random checks will be made against the ASA Online Rankings Database. City of Cardiff Swimming Club may request validation of any stated entry time. **If swimmers are found to have entered the meet with any false or made up times, they will be disqualified from all events that they have entered and their entry fees will be forfeited.**

Entry times may be submitted as short course or long course times using the Hy-Tek entry file but will be converted to long course times using Hy-Tek's Meet Manager software. Estimated times are not permitted.

The Meet Organizers will be responsible for having up to date information about each swimmer at entry and will provide this to the meet referee prior to the commencement of the Meet. In order to comply with this, we will confirm the information to swimmers and request that they/Clubs confirm it is correct and up to date.

Swimmers must have times recorded on British Ranking per event and have
