

# City of Oxford Swimming Club

## Dropping off swimmers at Meets

The phone contact number for the meet is: <PROVIDED FOR EACH MEET>

Please TEXT if you are no longer able to attend or are going to be late.

It is expected that swimmers arrive 15 minutes before the advertised warm up time and register with the team managers.

The gala environment is very different to training and so all swimmers aged under 16 must have a responsible adult (or nominated responsible adult) aged over 18 years, present at the gala at all times in case of emergency.

If the responsible adult is not a parent (or emergency contact) listed on swim manager, please inform the team managers who the responsible adult for your child is at the gala.

If a parent (or responsible adult) must leave the pool complex for an urgent reason, they **must** provide a contact number to the team managers or tell them who will be the nominated responsible adult on site in their absence.

**Under no circumstances should a child under 16 years of age be at the pool without a nominated adult (who needs to be aged over 18 years).**
